

**WEAVERS MEDICAL
FOREIGN TRAVEL VACCINATIONS & IMMUNISATION APPLICATION FORM**

Please complete this form IN FULL. We will **not** book an appointment for travel vaccinations without this form completed in full for each person travelling.

Most vaccines take 2 weeks to get into your system. Do not attend the clinic less than 2 weeks before your travel date. If you are travelling for over a month you will need to be seen at least 4 weeks before your travel date.

YELLOW FEVER

We offer Yellow Fever vaccinations. If you require Yellow Fever there will be a charge and you may be required to attend a further appointment with the nurse

FEEDS AND CHARGES

All vaccines that are provided to you are free of charge **except:**

	VACCINE	COURSE OF	COST PER INJECTION
1	Rabies	3	£35.00
2	Encephalitis	3	£25.00
3	Meningitis	1	£30.00
4	Yellow Fever	1	£50.00
5	Hepatitis B	3	£20.00
6	Yellow Fever Exemption Certificate		£10.00

If you need any of the above vaccines, we will advise you about the cost of the injections when you attend for your appointment.

Please note: The above vaccines are bought in for individual patients if they require them for travelling. The price the surgery is charged for these vaccines fluctuates therefore the cost to you may be more or less that the prices listed above.

ANTI MALARIALS

The Nurse will advise which type of Anti-Malarial you need

The following Anti-Malarials can be bought over the counter at a pharmacy:

- 1 Paludrine
- 2 Chloroquine

If the Nurse advises you need any of the Anti-Malarials below, a fee of £13.00 will be charged as the prescription can only be issued on a private prescription. There will also be a cost when the prescription is dispensed payable to the Pharmacist for dispensing the drug and the cost of the medicine.

- 1 Lariam (Mefloquine)
- 2 Malarone
- 3 Doxycyline
